1 EXT HARLEM STREET - DAY

1

A COLD WIND blows a bright red scarf tangled high on a street lamp.

An iron waste bin is blown sideways into an intersection. A stray dog investigates it briefly, urinates and then moves on.

A book bag drops onto the pavement.

Visible from the waist down, a LARGE YOUNG WOMAN in a disintegrating leather jacket turns the waste bin upright and then maneuvers it onto the sidewalk.

Once finished, her thick hands wipe each other until they stop abruptly.

Here, for the first time, we see her PLUMP, YOUTHFUL, VACANT AFRICAN AMERICAN FACE. It is 16-YEAR-OLD PRECIOUS JONES. Something inside the bin has caught her attention.

Precious gazes down upon a soiled and tattered paperback book as the breath from her nostrils steams. The title of the book staring back up at her is unintelligible.

She pushes debris aside to get to it.

The book plunges deeper into the trash, as if trying to flee.

The sound of an ONCOMING CAR approaches.

Precious pins the book against the bottom of the bin as the sounds of the oncoming car close in.

Precious finally comes up with the book. Its title is still unintelligible. When she flips it over, however, the letters on the cover, which are facing us now, make sense. They read CRYSTAL STAIR: SELECTED WORKS BY LANGSTON HUGHES.

CONTINUED:

The car sounds incredibly close.

Precious looks sharply to her left.

AN EERIE SKID precedes an eerier THUD! Precious, almost hit, falls back on to the pavement as her book skips across the intersection and down into a drain.

She lays on the sidewalk pressed against the base of the street lamp with her eyes closed.

The car reverses, skids, stops for a sec, shifts and SCREECHES off.

The garbage bin, overturned yet again, rocks side to side until settling, to a stop.

An ambulance eases up to the intersection.

When the stoplight changes, the ambulance motors past Precious in no hurry. A moment later, its sirens BLARE and it speeds off into the distance.

The stray dog returns, re-investigates the garbage bin, and turns to Precious. He licks her face. Tom Cruise walks up to her.

Precious' still vacant eyes finally open to see Tom, and the red scarf falling from the street lamp towards her. Tom gives her a hand up.

TOM

(flirtatious)

What's your name girl?

Precious blushes.

TOM

What's your name?

Precious still blushing, looks on the ground.

FADE TO BLACK.

PRECIOUS (V.O.)

My name is Precious Jones. I wanna take tap dance lessons. Mama said we can't afford it.

A SCHOOL BELL RINGS.

R2	INT. INTERMEDIATE SCHOOL 111/HALLWAY - DAY	R2	*
	The end of a final wave of students head to class.		*

PRECIOUS (V.O.)
Plus she say who wanna see me

In Harlem. New York. Today I was
almost late. That'd a been a
problem.

Precious scurries behind them donning the red scarf and lugging her book bag.	*

INT. CLASSROOM - DAY

3

Precious sits in the last row behind 26 children half her size, 3 years younger and mostly African American. Noise and projectiles fill the air.

MR. WICHER -A FRAIL MAN IN A BOW TIE AND TWEED COAT, stands at the head of the class trying to establish order.

MR. WICHER

Class, would you please turn to
page 122 ...Class! 122!

Precious' book stays closed as the other students find the page.

TWO BOYS in front of Precious giggle boisterously at some private joke.

Mr. Wicher looks annoyed but accustomed to this.

PRECIOUS (V.O.)

I like maff but I don't say nuffin'
-don't open my book even. Just sit
there.

The giggling boys continue their shenanigans.

MR. WICHER

Boys?

The boys finally open their books.

MR. WICHER

Page 122 please.

PRECIOUS (V.O.)

Everyday I tell myself something
gonna happen, like I'm gonna break
through or somebody gonna break
through to me -I'm gonna learn,
catch up, be normal, sit in the
front ...someday.

The giggling flares up again. Precious sneers at the boys.

MR. WICHER

Today we are going to review
Monday's assignment. Would anyone
like to begin?

The boys get louder.

CONTINUED:

Mr. Wicher looks at them helplessly.

MR. WICHER

Boys! ! !

PRECIOUS (V.O.)

I like Mr. Wicher. I pretend he my husband and we live in Weschesser, wherever that is. I can see by his eyes Mr. Wicher like me too. I wish I could tell him all the pages in my book look the same to me, but I can't..

BOY# 1

Excuse you?!

The entire class cries, "OOOOOH". Mr. Wicher looks scared.

BOY # 1

Nobody 'spect us to learn nuffin no way. Now I'm tryin' to have a motherfuckin' conversation back here if you don't mind Mr. Bitcher, I mean, Mr. Wicher.

The boys fallout slapping hands.

The class turns to Mr. Wicher in unison to see what he will do.

MR. WICHER

I want to see you boys after class.

BOY# 2

Sorry Mr. Wicher but you ain't my type. Grow some tits.

MR. WICHER

Just be quiet.

Mr. Wicher tries to carry on throughout the boys' unrelenting defiance. Other students are continually distracted by the boys. Precious looks bothered the most as Mr. Wicher's soft voice loses the battle.

PRECIOUS (V.O.)

I feels sorry for Mr. Wicher. He do his best but he ain't got no voice. He scared too. I feels sorry for him.

The boys break out in RIOTOUS LAUGHTER until ...

Precious has had enough.

PRECIOUS

Shut up motherfuckers, I'm trying to learn something! Hard enuff wiffout you stupid clowns carryin' on!

BOY# 1

(trembling)

BOY# 2

(trembling)

We cool.

Precious shoves them down in their seats and huffs.

PRECIOUS

Stupid asses... Go on 'bout cha lesson Mr. Wicher. They ain' gonna give you no more trouble today.

Precious turns her desk upright and sits back down. Mr. Wicher looks grateful.

PRECIOUS (V.O.)

I'm like the polices for Mr. Wicher. Tha's why I can't be late to maff.

KNOCK KNOCK KNOCK. Someone is outside the classroom.

Mr. Wicher waves her inside.

MRS. LICHENSTEIN, A SKINNY WOMAN IN HER THIRTIES WEARING A DARK SKIRT SUIT enters, squints to find Precious, points briefly and then whispers something to Mr. Wicher. Precious rolls her eyes.

PRECIOUS (V.O.)

Now dis ...

Mrs. Lichenstein sends Precious an oversized grin and beckons to her.

MRS. LICHENSTEIN

Claireece ...

3 CONTINUED: (3)
Precious sighs.

PRECIOUS (V.O.)
What this bitch want? Claireece ...
Only motherfuckers I hate call me
Claireece.

Precious gathers her belongings. The other children watch every move in silence. When she reaches the front of the class ...

PRECIOUS
You gonna be okay Mr. Wicher?

MR. WICHER
(forcing a smile)
Of course Precious. Thank you.

An unconvinced Precious grins sadly as Mrs. Lichenstein motions for Precious to step out ahead of her.

Mr. Wicher looks abandoned. The door closing behind Precious might as well be to a prison cell block. Noise inside the classroom returns immediately.

R4 INT. SCHOOL CORRIDOR - DAY R4

Precious heads off down the wide hallway in silence. *

R5 INT. MRS. LICHENSTEIN'S OFFICE - DAY R5

Precious waits among plants, plaques, pictures and file cabinets while Mrs. Lichenstein sits across from her reading from a file.

Mrs. Lichenstein closes the file and sets it on the desk between them.

MRS. LICHENSTEIN
Are you pregnant? You're sixteen,
still in junior high school and
pregnant with your second child.
Correct Claireece? Claireece are
you pregnant again?

Precious stares at the file without responding.

MRS. LICHENSTEIN
Do you have any thoughts about your
situation?

Precious shrugs her shoulders.

R5

CONTINUED:

MRS. LICHENSTEIN
Claireece?

Precious doesn't respond.

MRS. LICHENSTEIN
(beat)
Claireece, I'm talking to you.

Precious doesn't respond.

MRS. LICHENSTEIN
Claireece?!

PRECIOUS
Am I in trouble?

MRS. LICHENSTEIN
What?

PRECIOUS
Am I in trouble?

MRS. LICHENSTEIN
...No.

PRECIOUS
(beat)
Then I don't want to miss no more
of maff class.

Precious starts to rise.

MRS. LICHENSTEIN
(firmly)
Sit down Claireece.

Precious sits and sighs.

MRS. LICHENSTEIN
(beat)
You know what I think? I think we
should have a parent-teacher
conference - me, you and your mom.

PRECIOUS
My muver is busy.

MRS. LICHENSTEIN
Well maybe I could arrange to come
to your house.

R5

CONTINUED: (2)

R5

PRECIOUS

My muver wouldn't like that.

MRS. LICHENSTEIN

Well then Claireece, I'm afraid I'm going to have to suspend you.

PRECIOUS

For what?

MRS. LICHENSTEIN

You're pregnant.

PRECIOUS

That ain't fair. I ain' done nuffin! I doose my work. I ain' in no trouble. My grades is good...

MRS. LICHENSTEIN

Your attitude is one of total uncooperation and that won't help a thing...

PRECIOUS (V.O.)

Now I heard everything. Nosy ass white bitch mad 'cause she can't come over my house. I don't be coming to this bitch's house in Weschesser. I'll be damned. I done heard everything. White bitch wanna visit. Then I thought about Mr. Wicher all alone up against the fools in his maff class ...

MRS. LICHENSTEIN

I'm not the enemy here. If there's something going on at home that you would like to talk about, you should feel free to do so here. If you find that the added stress of caring for your child is affecting your concentration, that would be helpful to know.

MRS. LICHENSTEIN

Now according to our records, your mother also looks after the child. Is that correct?

PRECIOUS (V.O.)

No kids on her pictures. Maybe she jealous. I still don't say nuffin.

MRS. LICHENSTEIN

Are you in contact with the father?

(beat)

Is he at all involved in your child's care?

No answer.

MRS. LICHENSTEIN

Fine! If that's the way you wanna
play it, we can do this all day.

The hand on Precious' lap makes a fist.

PRECIOUS (V.O.)

Thas when I knew I'd never get back
to maff class ...Lawd I hate this
hoe.

Precious lunges from her chair and reaches over the desk.
Mrs. Lichenstein vaults backwards in terror and tumbles to
the floor.

MRS. LICHENSTEIN

SECURITY! SECURITY!

R6 INT. MRS. LICHENSTEIN'S OUTER OFFICE AREA - DAY

Precious bursts out of Mrs. Lichenstein's office and walks to
the exit. Mrs. Lichenstein's distant voice still cries for

Lichenstein's CRIES are still audible.

A faucet runs.

Precious stands over the sink washing dishes. A moment later,
a WOMAN'S VOICE speaks over the sound of a TELEVISION.

MARY (O.S)

You get my cigarettes?

Precious freezes. Her HEART BEATS loudly.

PRECIOUS

(delicately)

No Mama, I dropped some of my
thangs on the way to school.

A SCREECHING CAR echoes distantly.

MARY - INCREDIBLY LARGE, OILY SKIN, ILL-FITTED WIG AND HOUSE

This woman looks as if she is one with the furniture.

12 INT. KITCHEN 444 LENOX AVE. - DUSK 12

Eyes closed with ashes and tears on her face, Precious lays still on the floor. Her hands are still wet from the dishes.

GOOOSH! 2 gallons of water splash down on her. Her eyes spring open.

Mary stands over Precious with a large dripping pot in her hands. She drops it on the floor and returns to the couch to watch another program.

MARY
...I ain' gon' say it again.

13 INT. KITCHEN - LATER 13

Pots and pans sizzle on the stove.

Precious, now wearing a dry T-shirt, tends to dinner meticulously until ...

ANNNNT! The sharp sound of a BUZZER rings.

Mary and Precious turn to the door in unison.

MARY
Tell them assholes to stop ringing
my bell.

Here is our first good look at Mary. She wares way too much make up.

Precious wipes her hands and heads for the door though Mary sits much closer to it.

PRECIOUS (V.O.)

addicts. I hates crack addicts.
Give the ghetto a bad name.

Precious presses TALK on the intercom.

PRECIOUS
Stop ringing the goddam buzzer

Precious heads back to the dishes until ...

PRECIOUS
Stop it!

MARY
Press LISTEN stupid.

Precious sighs and presses LISTEN.

FEMALE VOICE (O.S.)
It's Sondra Lichenstein for
Claireece and Ms. Mary Johnston.

Precious' face goes blank. Mary looks alarmed and mutes the
television.

MARY
Who that Precious?

PRECIOUS
White bitch from school.

16

A young man exits the building smoking a cigarette. Mrs. Lichenstein puts her hands together, dramatically pleads for a smoke and gets one.

She puts it in her mouth and lights hers to his. Bouncing to stay warm, she nods in gratitude as the man walks off.

PRECIOUS (V.O.)
This bitch crazy. 'Sides, my muver
don't want to get cut off welfare

I've called a Mrs. McKnight at
Higher Education Alternative / Each

school.

Claireece, are you listening?

Precious looks at her mother. Mary clearly finds this all
bizarre.

MRS. LICHENSTEIN (O.S.)

Claireece, did you hear me?

Precious presses TALK.

PRECIOUS

Precious presses LISTEN.

MRS. LICHENSTEIN (O.S.)

INT. 444 LENOX AVE. -NIGHT

19

Precious leans against the refrigerator glowing.

PRECIOUS (V.O.)

My heart is all warm...Mr. Wicher
say I'm a good student.

There is silent movement behind Precious.

Mary approaches quietly wielding a skillet.

Mary swings for a head shot but Precious easily sidesteps the
blow.

The refrigerator takes the hit and a new dent.

Precious stares calmly at her mother.

Mary almost looks ashamed.

Still aglow, Precious grins absently at her mother and then
leaves the kitchen.

The clock on the night stand reads 8:29.

We drift back to find Precious sitting on the side of her bed
fully dressed with neon yellow leggings and her red scarf as
she stares at the clock.

Various sheets of colored construction paper display
Precious' handprints on the wall. Their sizes increase
progressively and end beside a poster of Cyndi Lauper.

When the clock reads 8:30, Precious stands, looks in a
mirror, sees a pretty blond white girl and leaves the room.

23 INT. PRECIOUS' APT - DAY

23

Precious heads for the front door.

MARY

Where you going?

DUNK, CLINK, CLONK, CLANK -Precious opens 4 locks with swift
precision.

MARY

Precious leaves slamming the door behind her.

24

EXT. 444 LENOX AVE. -DAY

24

We track with Precious as she exits her building. RUBY, A DARK-SKINNED HEAVY-SET LITTLE GIRL WITH A "NATURAL" HAIRSTYLE WHO COULD EASILY PASS FOR A YOUNGER PRECIOUS, trails Precious. A naked blond armless Barbie doll dangles by it's hair from Ruby's hand.

RUBY

Ain' you s'posed to be in school?

RUBY

You said we was gon' play.

Precious heads away into the distance.

RUBY

Precious.

PRECIOUS (O.S.)

You do that.

EXT. STREET - DAY

Precious walks gazing upward.

Street lamps pass beneath the sky as autumn leaves fall from nowhere.

PRECIOUS (V.O.)

I'm lookin' up. Lookin' out for a piano to fall, a desk, couch, TV, Mama maybe? Always somethin' in the way. Alternative. I'm gon' see all about it.

BOY'S VOICE

Watch where you goin' Orca!

Precious looks down to find three skinny boys, each much smaller than she, taunting her.

PRECIOUS (V.O.)

Then my mind come back down to Earf.

2ND BOY

Shut up fool, she gon' eat you.

The boys burst out in laughter slapping hands and grabbing their crotches.

PRECIOUS (V.O.)

Boyz always been little things that laff and grab they selves -cept for when I's real big and pregnant wif my first baby. Then boyz don't say nuffin. They stand out the way real quiet like I'm Queen of England...

Pointing at her leggings, the boys erupt some more.

PRECIOUS (V.O.)

Still, I wonder...what could I wear that boyz don't laff?

Precious crashes to the ground. The boys look surprised a moment and then howl harder than ever.

He doesn't move, react, speak to or look at Precious as she passes him.

Precious glances back at him as she reaches the elevators, presses the button and waits.

The elevator doors open. Precious steps inside and turns around. Her eyes widen and time slows down. The sound of WIND rises.

CORNROWS

Why do you say that shit when you don't mean it Trey? I'm not playing with you and I know that wasn't your damn sister neither....because you don't have one...Fine. Yeah, whatever.

Cornrows slams the phone down, mumbles and looks over a file.

PRECIOUS

This the alternative?

CORNROWS

(looking up)

The what?

PRECIOUS

This the alternative?

CORNROWS

What exactly are you looking for?

PRECIOUS

(pointing)

Well what is this here?

CORNROWS

This is Higher Education

PRECIOUS

I'm looking for alternative school.

CORNROWS

This is an alternative school.

What alternative is?

CORNROWS

What are you asking me?

PRECIOUS

Alternative. The lady from my other school tell me to come here to Hotel Theresa, nineteenth floor, it's "alternative" school.

CORNROWS

Each One Teach One is an alternative school and an alternative school is like a choice, a different way to do something.

PRECIOUS

Oh.

CORNROWS

You need your discharge papers from your old school saying they have formally discharged you or we can't allow you in the program.

PRECIOUS

I got kicked out 'cause I was pregnant.

CORNROWS

You still need formal discharge papers or we can't let you in. It's the law.

PRECIOUS

Mrs. Lichenstein ain' say all that.

CORNROWS

Oh you're the one Mrs. Lichenstein called about.

PRECIOUS

What she say?

CORNROWS

Are you Claireece P. Jones?

Suddenly, Precious looks very concerned.

CORNROWS

Are you all right?

Precious looks both angry and disappointed.

PRECIOUS (V.O.)

I thought this was new start. File
and tesses chase me to the grave.

CORNROWS

Claireece?

PRECIOUS

Huh?

CORNROWS

We had to have certain information
before we could accept you into the
program. So really, their sending
your records over was just a way of
speeding things up for you.

PRECIOUS

Can I start today?

CORNROWS

Yup. The only other thing we need
right now is income verification.
Are you currently receiving AFDC?

PRECIOUS

No...My muver get AFDC for me and
my daughter.

CORNROWS

Oh, you've had amniocentesis?

PRECIOUS

Huh?

CORNROWS

You said your mother has custody of
you and your daughter?

31 CONTINUED: (3)

PRECIOUS

Not this baby! I got another one
'sides this coming.

CORNROWS

Oh I see. Your mother has custody
of you and your daughter so you're
on her budget.

Precious nods.

CORNROWS

Okay, well I need a copy of your
mother's budget and a current phone
or utilities bill, okay?

PRECIOUS

I got to go get all that now?

CORNROWS

No, relax. We're just gonna give you
a few tests -test your reading and
math level, see where to place you.

PRECIOUS

What's the difference?

CORNROWS

Well, to enter G.E.D. classes a
student should be able to read on
an eighth-grade level. They should
score 8.0 or better on the TABE
reading test.

PRECIOUS

I was in ninfe grade at I.S. Ill.

CORNROWS

(smiling)

Then you should have no problem.

Precious doesn't look as convinced.

BZZZPFFT!

Precious looks up sharply.

A square fluorescent light in the ceiling blinks and buzzes as if struggling to stay alive.

We tilt down from the blinking light to find that we are in a different place ...

The many children seated in front of her are all blurs that gradually fade into darkness while raising their hands.

As we drift towards young Precious, the stains on her dress become more apparent.

As we continue drifting, the PLAYGROUND VOICES OF OTHER YOUNG CHILDREN ECHO out...

GIRL # 1 (O.S.)
...What that on your dress

GIRL # 2 (O.S.)
She don't say nuffin'. She don't

talk funny. You was better when you
was on mute.

BOY
Here come the wide load...

Boys makes a lengthy FARTING sound triggering a CHORUS OF LAUGHTER.

Our drift finally lands on a puddle of urine at her feet.

GIRL # 5 (O.S.)
Teacher! Teacher! Precious
peeded herself again!

GIGGLES fill the air. A small pencil falls into the puddle making a large ripple.

ADMINISTRATOR
Claireece ...

Precious looks up to her blankly.

ADMINISTRATOR

Precious nods absently.

The administrator gently takes the test from Precious' desk and leaves.

Precious lingers pensively in the back of the room.

Precious stops and looks up at something.

Before her stands a fast food restaurant with a giant sign atop it that says KICKIN FRIED CHICKEN.

Precious looks around, takes a deep breath and steps inside.

43 INT. KICKIN FRIED CHICKEN - DAY

43

Precious approaches the counter with a strained "nonchalance".

A MIDDLE-AGED WOMAN IN A HAIR-NET waits behind the register.

Precious sets her notebook and pencil down on the nearest table.

WOMAN

What you want baby?

PRECIOUS

Give me a basket please.

WOMAN

Sides?

Precious' eyes wander from the fry bin all the way over to a refrigerator towards the back.

PRECIOUS

Ain't sure. still thinkin'.
Watchin' the weight you know.

The woman chuckles and then leaves for the chicken.

The digital clock on the wall reads 8:53.

Precious whirls around to see A YOUNG MAN CIGARETTE IN HIS MOUTH spraying the door with glass cleaner and then wiping it from the bottom up.

Precious turns back around to find her server selecting pieces of chicken from a huge tray with large silver tongs.

The clock on the wall reads 8:54.

Precious turns to the door again to find the young man still cleaning it.

Precious turns back around to see her server returning with a basket of chicken.

Precious looks back while sprinting and scarfing down pieces of chicken at a remarkable rate.

Across the street, SHEILA, Reggie's pregnant girlfriend, screams at him.

SHEILA
Reggie, where you been? I've been
paging your tired ass all night.

Reggie stops dead in his tracks. Shit! Busted. He lights up a cigarette, about faces and prepares for her rant.

SHEILA
Nigga, I knew that was you. And who
you running after, some fat bitch.
Get your ass over here.

Precious turns the corner of 126th street and onto Clayton Powell Jr. Boulevard still devouring chicken.

A SKINNY DISHEVELED MAN sitting on a standpipe calls out to her.

SKINNY MAN

She decides to grab a line.

CORNROWS

Precious lunges for a trash bin into which she promptly vomits.

She quickly catches her breath. Wipes her mouth and looks 10 feet away at a brightness coming from an open doorway. Her HEART BEATS loudly.

INT. CLASSROOM -DAY

A seventh desk sits well apart from the others back beneath
the windows.

The girls all stare up at Precious blankly as she enters the
room. Precious looks to be in a mild state of shock as she
gazes around from the girls to Ms. Rain to the clouds outside
the windows.

PRECIOUS (V.O.)
First thing I wonder is where is
everybody -the boyz, the noises
...this feel like a Sunday school
or crazy house...or something like
bof' but different. Smell different

Precious' eyes land on the lone desk in the rear of the room.

MS. RAIN (O.S.)
Have a seat.

Precious looks from the distant desk to one up front and then
back to the distant desk.

She sits with the other girls delicately, as if she were a
visitor in a complete stranger's home.

JO ANN ROGERS -CAREFREE, CUTE AND SMUG, then breezes into the room with an air of insubordination.

Jo Ann shrugs her shoulders, looks down and then turns her
eyes to Precious' stomach.

Ms. Rain writes the letter A on the board and then hands the

Consuelo. Consuelo writes C and hands it to Rhonda. Rhonda
writes D and hands it to Rita.

Rita takes a step and starts to cry. She drops the chalk. It
shatters on the floor.

MS. RAIN
We're all in this together Rita.
Class?

ALL BUT RITA

Rita picks up the largest shard of chalk from the floor and
writes E on the board. She hands the chalk to Precious and
Precious writes F.

The entire class sits simultaneously and then giggles at
their synchronicity.

MS. RAIN
This is just the beginning. Why
don't we try by ourselves? There
are 26 letters in the alphabet.

MS. RAIN

Precious looks up at her blankly and then back down at the book with trepidation.

PRECIOUS (V.O.)

Sure lady, right after I get voted president.

MS. RAIN

Precious?

PRECIOUS

I can't do that Miz Rain.

MS. RAIN

C'mon Precious. Give it a try.

Precious looks mortified and starts breathing heavily.

RAPID MONTAGE - DOOR SLAMS, MOANS, PANTING, PLATES BREAKING, MEAT SIZZLING, ZIPPERS, GRUNTS, SQUEAKING BED SPRINGS, LAUGHTER, SCREAMS, A RAZOR SLICING YOUNG FLESH, SWEAT and DAYTIME TELEVISION all assault her mind's senses.

Ms. Rain speaks with a dire look of concern on her face but no words come out.

She places a hand on Precious' shoulder and the kaleidoscope of sounds sucks away into the air. The words from Ms. Rain's mouth finally register.

MS. RAIN

Precious. Honey are you okay? Try to relax. Should I call an ambulance? 911? Your moth ...

PRECIOUS

Ms. Rain sighs. She sits back for a moment and looks as if
she's processing more than just the tragedy of this
particular situation but what is that of countless others.

In a decisive, almost militaristic movement, Ms. Rain sits up
again.

MS. RAIN

I think I understand you Precious
but I still want you to try. You're
going to have to push yourself.

Precious looks back down at the page. There are people of
various colors on a beach.

MS. RAIN

What do you think the story is

Precious eats reluctantly.

56

INT. KITCHEN - LATER - NIGHT

56

Pots and pans sit drying on the counter.

Precious wipes her hands on a dishcloth.

The room is quiet and empty now.

Precious stares blankly out of the window.

...She goes to the television, presses the remote and sits
down. "THE COSBYS" is still on. Tired and full, she turns the
TV off. She watches Mary's face snoring rhythmically but with
extremely unpleasant noises. Finally, she backs away and goes
to her bedroom.

57

INT. PRECIOUS' BEDROOM - NIGHT

57

Precious falls back across her bed with her arms spread.

She stares up at the crack in her ceiling...

A hand darts into frame, touches Precious' side and then
quickly withdraws. Precious ignores it. The hand returns for
another jab. Precious restrains a grin. Finally the hand
tickles her fiercely.

57

57

She giggles uncontrollably. The hand belongs to Tom Cruise. He wears a leather jacket with a cherry red motorcycle helmet tucked under one arm. The helmet has a golden bow stuck on its crown.

...Precious chases him out of frame for some revenge tickling as they both laugh quietly.

...The helmet falls to the floor with a bounce.

WOMAN'S VOICE (O.S.)

...Claireece, would you like to
talk about your home life?

58

INT. CHILD PSYCHOLOGIST'S OFFICE - DAY

58

Precious sits on a small couch in a modest office containing 2 bookshelves, several plaques and 2 file cabinets.

MS. WEISS -40's, CAUCASIAN, CONSERVATIVELY DRESSED sits across from Precious with a clipboard on her lap and glasses low on her nose. A strap hangs down from the glasses and snakes around the back of her neck.

PRECIOUS

What do you want me to say?

MS. WEISS

Whatever comes to mind when you
think about your home.

PRECIOUS (V.O.)

Seem like inquiring white bitches
always want to know.

PRECIOUS

I wish I had a TV in my room.

MS. WEISS

(beat)

Is that all?

PRECIOUS

No... My muver is a like a whale
person for the couch. She says I
eat alla time, but then she always
makin' me eat... and then call me a
fat mess.... She says apartment is
little because of me.

58

She only leaves the house to play

MS. WEISS

Of course. I want to learn more
about your father anyway.

PRECIOUS

MS. WEISS

PRECIOUS

He say he the original man like

Precious turns to Ms. Weiss. A DOORBELL RINGS ...

59 INT. 444 LENOX AVE. APT. - DAY 59

TOOSIE, A WOMAN IN HER LATE 50'S RADIATING A TOUGHNESS OF PRIOR GENERATIONS, enters the apartment in a business-like manner with MONGO, A SMALL, DISTRACTED AND OBVIOUSLY HANDICAPPED CHILD. Toosie has a bag of groceries in her other arm.

Precious watches TV beside her mother. Both appear as if they've just woken up. Mary attempts to put on her wig and make up.

Toosie gives Mongo to Mary, whose eyes never leave the television, and then hands the groceries to Precious, who takes them directly to the kitchen as Toosie leaves without a word.

PRECIOUS (O.S.)
Mongo?

MS. WEISS (O.S.)
Excuse me?

PRECIOUS (O.S.)
Mongo? Thas short for Mongoloid.
She got Down Sinder.

MS. WEISS (O.S.)
You mean she has Down Syndrome?

PRECIOUS (O.S.)
Alla dat.

The child seems only mildly aware of what is going on.

The DOORBELL rings again. Precious opens the door. A HISPANIC WOMAN IN HER THIRTIES with an attache case enters.

As the woman steps inside, we see that Mary has finished tidying herself.

Mary and the woman exchange small talk while Precious listens. Mary has never seemed so congenial.

PRECIOUS (O.S.)
My grandmuvver Toosie, brangs Little Mongo over on days social worker come so it look like Mongo live wif us. Then my mama get the check 'n food stamps for me 'n Little Mongo. But it's my baby. Little Mongo is money for me, not her!

60

INT. CHILD PSYCHOLOGIST'S OFFICE - DAY

60

Precious continues speaking to Ms. Weiss from the couch.

PRECIOUS

...Sometimes I see vampires too.
They come for me sometimes and they
say that I am one of them. They
say, "Precious, you belong wif us."

MS. WEISS

How do you respond to them?

PRECIOUS

I say, "Check wif my muver." After
that, they just look at me and go
down through the floor. The family
downstairs is vampires so that's
where they should go.

Ms. Weiss looks up from her clipboard and over her glasses.

Precious reflects a moment and then looks up.

PRECIOUS

I'm going to the doctor now too.
It's nice. Miz Rain, she fall out
when she finded out that I ain'
been to no doctor. Whole class
scream 'preenatal' at me. They
don't know I had my first baby on
the kitchen floor wif my muver
kicking me upside my head. I mean,
who would believe?

Precious snickers reminiscently a moment and then turns to
Ms. Weiss.

PRECIOUS

Them the kind of thangs you mean
when you say talk about whatever
come into my mind?

Ms. Weiss looks up and nods through a perplexed daze.

61

INT. CITY BUS - DAY

61

Precious rides lost in thought.

PRECIOUS (V.O.)

I still don't know why I said all
them thangs. I know I wasn't
s'posed to. Just tired.

Tired of lying I guess. Hope mama

62 EXT STREET - DAY 62

The girls burst into frame followed by Ms. Rain and Cornrows
and then bound up a large number of steps leading into THE
METROPOLITAN MUSEUM OF ART.

63 INT. METROPOLITAN MUSEUM PERMANENT EGYPTIAN ART COLLECTION 63

Led by a spirited guide and trailed by Ms. Rain and Cornrows,
the girls scrutinize colossal tombs, various artifacts,
hieroglyphics and photographs.

PRECIOUS (V.O.)
Miz Rain brang us out to see some
real old stuff. Thangs and stuff
before TV's was made, before Mr.
Abraham Lincoln, before Miz Harriet
Tubman -maybe some stuff before Miz
Weiss even.

Precious and Rita fearfully enter the Tomb of Perneb. 2 steps
in, Rita grabs Precious hand tightly.

PRECIOUS (V.O.)
Before we turn tha corner in a
mummy tomb, Rita grab hold of my
hand. No one in my life ever do
that. Ever.
(beat)
How Rita do it wiffout a thought?

Rita and Jermaine study a sphinx.

PRECIOUS (V.O.)
Guide lady smart. Say dis the first
civilization of the Earf. Black
folks, first!

Jo Ann poses like an Egyptian hieroglyphic. Consuelo examines
her nail polish.

64 INT. CLASSROOM -DAY 64

Ms. Rain writes briskly across the blackboard.

As she makes her way across the frame, a barrage of letters
and numbers peel off the board, fly across the room, converge
and enter Precious' forehead.

64

CONTINUED:

64

Just before the letters and numbers reach Precious, lifelike holographic images flank them. They are SPINNING PLANETS, FLYING PTERODACTYLS, STAMPEDING ELEPHANTS, EMMETT TILL, MLK, JFK, MALCOLM X, CIVIL RIGHTS MARCHERS, FIRE, TIDAL WAVES, A VOLCANIC ERUPTION, CONTINENTS, MATHEMATICAL EQUATIONS, LIGHT BULBS AND THE INVERTED WORDS "JANIE", "SULA" AND "CELIE" ...

A few letters, numbers and images try to reach Jo Ann but most just bounce off of her and fall away. Consuelo bats a few mathematical symbols off as if they were flies.

Finally we land on Precious as she confidently stabs her hand into the air to answer a question.

65

INT. CITY BUS - DAY

65

Precious rides on one of the side seats towards the back while wearing her red scarf.

The New Yorkers surrounding her are all men of various backgrounds. All wear the exact same suits and raincoats.

Precious looks up to find two of the businessmen staring down at her.

We pan from them and around the bus to find all of the other passengers studying Precious in silence as well.

PRECIOUS (V.O.)

I liked'd that museum so much I went back by myself... Peoples ...They only look when my belly big. They minds all made. But do they know? No. They do not know that I am a girl for flowers and thin straw legs?

PRECIOUS (V.O.)

If other peoples could see that the way I do, they would see that I am a real person inside.

Our long circular pan finally lands on Precious' seat but sitting there now is the pretty blond white girl from Precious' bedroom mirror wearing Precious' clothes.

The bus grinds to a stop.

A man smiles at Precious and steps off the bus.

The original Precious takes the abandoned newspaper from his empty seat and tries to read it.

65

CONTINUED:

65

Precious stops to watch two "society" ladies in hats and gloves push antique buggy style baby carriages along the sidewalk.

PRECIOUS (V.O.)

Miz Rain say the longest journey
begin wif a single step. I wonder
what step they journeys begin on.
Mama always talk about how there be
all different types of welfare. I
want filfy rich white folks
welfare. Mama crazy but Mama not
stupid.

Precious continues observing pensively as the ladies pass a bearded and bedraggled elderly white man laying on the street in tattered clothes.

As Precious studies him, her expression changes ever so slightly.

Enormous handwritten letters forming "NOT STUPID" overtake her face as we DISSOLVE TO the PAGE upon which she wrote it.

66

INT. HOTEL THERESA CLASSROOM - DAY

66

Precious writes in her notebook. All of the other girls do the same.

PRECIOUS (V.O.)

I am happy to be writing. I am
happy to be in school. I am happy
to know my baby coming soon. Don't
see the sense in pretending I am
not pregnant anymore. I am also
thinking about lil Mongo a lot. Miz
Rain say we gonna write everyday,
that mean home too.

PRECIOUS (V.O.)

And she gonna write back everyday.
Thas great.

Precious looks up to find Jo Ann tapping her pencil, looking around annoyed and literally at a loss for words.

PRECIOUS (V.O.)

Mama say this new school ain' shit
tho. Say you can't learn nuffin'
writing in no book. Gotta git on
that computer you want to make some
money. But Mama wrong about that.

not dumb. Listen:

PRECIOUS (CONT'D)

(in a whisper)

A B C D E F G H I J K L P M N

PRECIOUS (V.O.) (CONT'D)

Thas the alphabet. Twenty-six
letters in all. Them letters
make up words. Them words
everything.

Precious looks up from her page gazing in an otherworldly way.

One by one, the other girls stop what they're doing and stare
at Precious curiously.

Their eyes turn downward in unison.

CLOSE ON Precious' legs.

A gush of water pours down between them as if it were a tidal
wave.

67

INT. HOSPITAL - DAY

67

SILENT MONTAGE

...The wheels of a speeding gurney waggle to remain straight.

...Fluorescent lights stream by overhead.

...Name tags dangle from the chests of attendants pushing the
gurney.

One we see belongs to a handsome African American Male nurse,
JOHN MCFADDEN. He is constantly looking down with a
reassuring smile.

...Covered in sweat, Precious screams without our hearing a
sound.

FADE OUT

70 INT. HOSPITAL - DAY

70

We are close on Precious. Her eyes focus intently and occasionally dart up and down.

Nurse John is doing the same thing.

His hands lay on top of Precious' with their palms touching.

We glimpse both of their searching eyes again.

Suddenly, Precious whips her hands over and SLAPS the back of John's before he can pull them away.

PRECIOUS
I win.

JOHN
That hurt girl.

PRECIOUS
Get to X-Ray.

JOHN
(leaving)
Maybe I will.

PRECIOUS
You gon have to if you don't practice.

JOHN
Alright.

70

John exits.

70

The girls from class ogle him from another part of the room as he leaves and then nudge and bicker with each other for pole position to hold Abdul.

PRECIOUS (V.O.)

Dear Miz Rain, All the years I sit
in class I never learn, but now I
got baby again by my fahver.

Behind the girls, Precious sits up in bed writing in her journal.

PRECIOUS (V.O.)

I wish I had a boyfriend like other
girls and then I'd feel right that
I have to quit school. I love my
baby but want school too.

Precious closes her book. Jo Ann backs away from the others, takes the notebook and then leaves.

Rhonda returns Abdul to Precious. The remaining girls embrace Precious one at a time and then file out of the room.

71

As the girls stream into the classroom, Jo Ann sets Precious' notebook on Ms. Rain's desk.

Ms. Rain opens it immediately.

Ms. Rain writes at her desk.

MS. RAIN (V. O.)

Dear Precious, I am glad you love

MS. RAIN (V.O.)

INT. MS. RAIN APARTMENT - BEDROOM - DAY

74

Ms. Rain sits on the corner of bed reading Precious' journal.

PRECIOUS (V.O. CONT'D)
Social worker ask me if I want to

Abdul, I won't have nothing nomore.

75

INT. HOSPITAL - DAY

75

Jo Ann bounds into the room with the journal in her hand,
swipes an apple from Precious' tray and takes a bite.

Precious snatches the journal and opens it quickly.

MS. RAIN (V.O.)
Dear Precious, It seems the
opposite to me. If you keep Abdul
you might have nothing. You are
learning to read and write, that is
everything. Come back to school
when you get out of the hospital.
You're only seventeen. Your whole
life is in front of you.

CUT TO:

TOOSIE paces Precious' hospital room briskly while holding
Abdul and lecturing Precious fiercely.

Precious' grandmother continues her sermon. Precious sighs.

when your father was abusing you?
2. Where is Little Mongo now? 3.
What is going to be the best thing
for you in this situation?

76 INT. SMALL OFFICE - DAY

76

Ms. Rain sits at her desk reading with her pen ready.

PRECIOUS (V.O.)

ask. No muver, no grandmuvver and
father rape me years. Little Mongo

stop breaving sometimes I think. I
want to be a good mother too tho.

Ms. Rain writes immediately.

MS. RAIN (V.O.)
Dear Dear Precious, Being a good
mother might mean letting your baby
be raised by someone who is better
able than you to meet the child's
needs.

77 INT. HOSPITAL - DAY

PRECIOUS (V.O.)

support yourself? How will you keep
learning to read and write?

79 INT. 444 LENOX AVE. APT. - DAY 79

We drift towards Mary, at one with the couch, watching television. One hand holds a cigarette while the other mines an enormous bag of potato chips elbow-deep.

Her greasy mouth remains occupied with either a cigarette, a potato chip or both at all times.

PRECIOUS (V.O.)
The welfare help Mama, it help me.

MS. RAIN (V.O.)
Dear Precious Miss, When you get home from the hospital, look and see how much welfare has helped your mother.

Precious barely dodges that one too and she drops everything but Abdul.

PRECIOUS
MAMA! ! !

MARY (O.S.)
YOU RUIN MY LIFE YOU FAT LITTLE

Mary charges into frame to ram Precious and Abdul like a bull.

Precious sidesteps the charge as Mary leaves a huge indentation in the wall knocking over a side table and a potted plant in the process. She grabs her shoulder in pain.

Precious backs away around the living room to flee.

Mary hurls what's left of the plant at Precious from down on the floor.

Mary GROWLS and charges Precious again.

Precious turns the TV over between them. Electrical sparks fly as it hits the floor. There is a banging at the door.

NEIGHBOR (O.S.)
Mary, leave that chile alone. Stop
beating that girl Mary.

Mary trips and crashes down on top of the overturned television.

Precious dashes out of the apartment with only Abdul as Mary struggles to get up.

At the last second, Precious manages to roll them both out of the way as the television crashes to the landing shattering some more.

Ruby places herself between Precious and the door while moving. Precious however, is in a big hurry.

RUBY

Precious, could I see your baby now?
I just wanna see.

Precious shows no sign of slowing down. Ruby looks concerned.

PRECIOUS

I need to see Nurse John. Where
Nurse John at?

NURSE

He's on break. He'll be back soon.
Have a seat.

Precious sits on one of a row of chairs by the wall. She tries to settle Abdul as he starts to CRY.

I remembered hoping that you would have learned from your mistakes.

PRECIOUS

The nurse turns around.

PRECIOUS

I ain't make no mistake unless it was being born.

DING! The elevator doors open.

John steps off between Precious and the nurse.

Precious starts to rise and John motions for her to stay seated. He sits beside her.

JOHN

The skinny woman on the other side sits up and grabs herself feverishly as if there were bugs all over her.

AN ENORMOUS AND FEROCIOUS-LOOKING WOMAN IN HER FORTIES steps up, snatches the blanket off of Precious and Abdul and walks off.

BUG LADY

Give the chile back her blanket!

FEROCIOUS WOMAN

Fuck you. I ain' giving back shit.

The woman walks away.

Physically and emotionally spent, Precious sighs and then lifts her bed's top sheet, beneath which is a plastic-covered mattress.

She then wraps the sheet around Abdul and herself and hunkers down.

Precious rocks Abdul gently as her eyes wander around the cavernous armory.

PRECIOUS

98 INT. ARMORY - LATER

98

Precious sleeps soundly.

Something nudges her slightly.

When she finally opens her eyes ...

Abdul is gone! So is her bag.

Precious springs up in a panic turning in every direction.

PRECIOUS

Where my baby?! Where my baby at?!

The Bug Lady casually points to the exit.

The large ferocious woman heads for the exit with Abdul in one arm and Precious' bag in the other. She looks down at Abdul making "baby" faces and sounds.

Precious dashes after her but winces in pain grabbing her pelvic area along the way.

The Bug Lady follows Precious as a speed walker might.

Precious snatches Abdul and promptly knees the ferocious woman hard in the gut.

The ferocious woman MOANS as she falls to the ground.

Precious continues kicking and stomping her without abandon.

The bug girl observes stoically. Abdul WAILS.

As she trounces the woman, Precious' eyes fill with a rage we haven't yet seen.

Finally, two other women pull Precious away while she still kicks at the woman.

The ferocious woman, now bloodied, falls over on her back with her eyes closed and her mouth hanging open.

A bright morning skyline stretches over the Hotel Theresa.

A99 INT. ELEVATOR - HOTEL THERESA - DAY A99

Ms. Rain, at work a little earlier than usual this morning, looks great, and ready for another day.

B99 EXT. LOBBY EACH ONE TEACH ONE - DAY B99

Ms. Rain enters the lobby. The window of the entry door has been smashed. She opens the door with a look of trepidation.

100 INT. MS. RAIN'S CLASSROOM - DAY 100

Ms. Rain steps into her classroom carrying two bags. She removes her sunglasses.

The sight before her stops her in her tracks. She drops her bags immediately.

It is Precious, sleeping on the floor with Abdul in her arms. Her hand is cut and bleeding pretty bad.

Ms. Rain looks incensed.

101 INT. SMALL OFFICE - LATER - DAY 101

Precious sits rocking Abdul with a bandaged hand.

Ms. Rain, still fuming, sits on the other side of the office dialing a phone number from a list on the wall.

PRECIOUS (V.O.)

I can tell by Miz Rain's face that
I ain' gonna be homeless no more.
Only I ain' so sure where I'm gon

MS. RAIN

(sternly)
Yes I'll hold.
(grumbling while on hold)
Safety net huh? What damn safety

Ms. Rain stops them just as quickly.

MS. RAIN

Good morning girls. Tell the others
to start writing when they come in.
Whichever one of you is older is in
charge until I get back. And
Consuelo, I know that is not you.
So here is \$20.00.

Ms. Rain digs into her purse to find the money. She hands it
to Consuelo.

MS. RAIN

Go get something for Precious to

change.

The girls nod and leave.

104 INT. CLASSROOM - DAY

Jo Ann saunters in.

The other girls are writing already.

Rhonda is at the head of the class displaying unusually good posture.

RHONDA

JO ANN
You ain't the teacher.

RHONDA
I am today. Miz Rain busy wif

JO ANN

Ms. Rain hangs up the phone.

She looks tired.

PRECIOUS
They have ...something. It's an

Queens.

Precious looks concerned.

PRECIOUS
Queens?

MS. RAIN
Yeah. Queens ...What do you think?

PRECIOUS

I don't really know Queens.

MS. RAIN

INT. HALLWAY - DAY

Precious exits the girls bathroom carrying Abdul. She sports a new sweat suit.

She pauses before entering Each One Teach One Reception Area and observes Ms. Rain speaking on the phone for a moment. Suzanne, the school's administrator stands by.

MS. RAIN

WOMAN'S VOICE

Hey Precious.

Precious jumps and turns around to find Cornrows passing by.

PRECIOUS

Hi Miss Lisa.

CORNROWS

CORNROWS

I don't know... I went to see that

Ms. Rain picks up the line holding.

MS. RAIN

Yes Brenda. Thank you.

Ms. Rain hangs up the phone, turns to Precious and exhales.

MS. RAIN

They can take you. Tomorrow...at a
place here in Harlem.

Precious looks relieved.

MS. RAIN

You just need somewhere to stay
tonight.

(beat)

You don't snore do you?

Precious smiles.

109

INT. MS. RAIN'S APARTMENT - NIGHT

109

Precious sits at a small kitchen table in a modest but cozy and craftily-decorated apartment. Fresh flowers adorne her table.

She breast feeds Abdul and drinks from a tall glass of grape juice. Ms. Rain clears the table of plates and take-out containers.

WHITNEY HOUSTON IS PLAYING LOUD. KATHERINE, A SEXY BLACK WOMAN who it seems has just awoken, descends the stairs. She's not in a good mood.

KATHERINE

Honey, how many times did I tell
you about the music?

She stops in mid sentence when she sees precious. Her mood changes.

KATHERINE

(warmly)

You must be Precious. Hi.

Katherine bends down to admire Abdul.

MS. RAIN

Precious, this is my wife
Katherine.

Precious looks confused. She spits her drink out. A lot of which lands on Abdul.

She wipes Abdul.

PRECIOUS

Huh?

MS. RAIN

I said that this is my wife
Katherine.

Precious' mouth is agape.

PRECIOUS

Precious still looks confused.

KATHERINE

if Ronald McDonald were running the
show and the price of hamburgers
skyrocketed, wouldn't you be
suspicious?

MS. RAIN
I just think you should finish the
book.

KATHERINE
Who's gonna read it?

MS. RAIN
Nobody if you don't write it.
Precious writes everyday. You
should try it.

KATHERINE
What do you write about Precious?

PRECIOUS

listen in on 'em tho cause I
know they smart.

MS. RAIN

It's called an analogy. For
example, my uncle Clayton
used to smoke like a chimney
and drink like a fish before
he got saved.

An Etta James tune begins ...

CUT TO:

Ms. Rain and Katherine, high from the wine, spin each other
lazily in a playful dance.

Precious sits watching carefully. She lifts and smells the
gardenias from the table.

Precious starts to pour a bottle of wine into her glass.

PRECIOUS (V.O.)

Mama say homos is bad peoples ...

A hand intercepts the bottle. It is Ms. Rain's. She then
pours it into her own glass and takes the bottle with her as
she returns to Katherine.

PRECIOUS (V.O.)

...But homos not who rape me, homos
not who let me sit up in school 16
years and learn nuffin and homos not
sell crack to peoples in Harlem. I
wonder what Oprah have to say about

112 INT. HOTEL THERESA CLASSROOM - DAY 112

Streamers hang from the walls. Various handwritten versions of "Congratulations Precious", obviously written by the girls, stretch across the blackboard in uneven-sized letters. Precious stands beside Ms. Rain holding a small trophy and a check. The other girls flank them standing very straight. All wear big grins.

FLASHPWOWF!

Nurse John, without his uniform, has just taken a picture of everyone.

The girls go straight for the cookies and punch waiting atop an orange tablecloth on Ms. Rain's desk. They begin a Soul Train Line and dance around the desk as Nurse John approaches Ms. Rain to converse.

PRECIOUS (V.O.)

After I settle in halfway house, I
work my hardest to memorize letter
sounds, write in journal and read
smaller and fatter books. Then I
find out Mayor's office give me
Literacy Award and check for
progress. Everybody at the party,
Nurse John, Cornrows and the staff
stop in too, but they need to get
back to they desks before too long.
Whole operation can't stop just

Even Ms. Katherine shows.

John discreetly beckons Precious over to the side as she blows into a noisemaker. Both she and John dance in high spirits.

John looks confused.

113 INT. HOTEL THERESA CORRIDOR - DAY 113

Precious leads John down the hall by the hand.

She stops in front of Cornrows' desk as Cornrows converses on the phone while picking her nails.

The previously illegible sign on her desk now reads "EACH ONE TEACH ONE".

CORNROWS
(on the phone noticing
Precious)
Hold on girl.

Cornrows lowers the phone and waits for Precious to speak.

PRECIOUS
Miss Lisa this Nurse John. Nurse
John this Miss Lisa.

Cornrows looks up at John.

Precious heads back to the party. Nurse John and Cornrows watch her curiously.

PRECIOUS (O.S.)
Y'all work it out.

Nurse John and Cornrows turn to each other.

JOHN
Hi ...How are you?

Cornrows looks him up and down then hangs up the phone without looking.

CORNROWS
I get off at 4.

114 INT. CLASSROOM - DAY 114

The room is empty except for Ms. Rain standing on a chair taking streamers down.

Precious appears in the doorway and studies Ms. Rain a moment as if seeing her for the first time.

Ms. Rain steps down from her chair looking tired.

Precious enters the room.

PRECIOUS

Miz Rain?

MS. RAIN

Precious, I thought you went home.

PRECIOUS

Not yet. I forgot to say thank you
for my party.

MS. RAIN

You're welcome. It was my pleasure.

Precious just watches her.

MS. RAIN

Was there something else?

PRECIOUS

I ...No...

MS. RAIN

Are you sure?

PRECIOUS

Well, I was thinking...

MS. RAIN

Yes?

PRECIOUS

Ms. Rain speaks to Precious while picking up around the room.

Precious looks both confused and relieved. Ms. Rain sits while motioning for Precious to do the same.

PRECIOUS

(sitting)

Me? I never...

Precious stops as Ms. Rain looks away as if gathering her thoughts.

Finally...

MS. RAIN

Last night I had a conversation with my mother, and that never happens cause our relationship is.... complicated. We don't speak, and when we do, it always ends in a fight about my filthy misguided existence. Most times I feel terrible for days afterwards wondering whether all the hateful things she said are true. Those days I just feel like...like...

PRECIOUS

Nuffin?

MS. RAIN

...Yeah. I didn't feel so bad this time though.

(beat)

Cause this time I thought about how strong you've had to be and then I decided that I had nothing to be ashamed of and that my mother was wrong about me, my dad and 5 or 6 hundred other things. You ask if you can help me? Baby, you already have.

PRECIOUS

...For real?

MS. RAIN

That's the for real, hope to die if I'm lying truth. Now shouldn't you be out the door?

As we watch from a distance...

PRECIOUS (V.O.)
Some folks got a light around them
that shine for other peoples. I
think maybe some of them was in a

tunnel, maybe the only light they

Precious' trophy sits on the windowsill beneath a thin a layer of dust.

A stack of books sit on her bureau.

Colorful letters and numbers hang on the wall. Beneath them hang postcards featuring Zora Neal Hurston, Alice Walker, Maya Angelou and Oprah Winfrey.

Abdul sleeps in his crib.

Precious makes her bed.

PRECIOUS (V.O.)
In a book I read, a lady escaped to
a 1/2 way house. And the lady, she
asked the people there just what a
1/2 way house was. They tole her,
you is 1/2 way between the life you
had and the life you want to have

can't stay here forever and that
there is still a ways to go. It be

KNOCK KNOCK KNOCK.

PRECIOUS

Precious closes her window.

The door to her room opens. CHELSEA, A 30-SOMETHING SOCIAL WORKER steps in looking slightly uncomfortable.

119 INT. ADVANCEMENT HOUSE HALLWAY - DAY

119

Precious descends a staircase to a long corridor clearly deep
in thought every step of the way.

She stops momentarily to straighten her clothes.

When she finally reaches a day room at the other end of the
hall, she looks through its window for a moment.

Mary sits inside crushing and dwarfing the couch upon which
she waits. She looks frail. Her wig is half combed. She's
nervous. Her sweaty hands crumple her cigarette package.

Precious covers her nose a moment, lowers her hand, readies
herself and then steps into the room.

120 INT. DAY ROOM - DAY

120

Once inside the room, and for the first time, Precious' soft
face looks like stone.

Mary looks up with a brief but quickly fading smile that is
pathetic, apologetic and grim.

Precious waits.

The air is thick without a single word between them.

Finally, Mary looks down.

MARY
Your daddy dead.

Precious looks surprised for a moment but still composed.

Mary waits for a response.

PRECIOUS
...Is that all?

MARY

No.

(beat)

Carl ...Carl had that AIDS virus.

A previously unseen woman sitting across the room looks up from behind a newspaper.

Precious stays stone-faced until she finally GASPS as the aftershock of the revelation hits her squarely.

The man across the room collects his hat and coat and leaves.

INSERT -GLIMPSES OF CARL REMOVING HIS BELT, CARL THRUSTING ON TOP OF PRECIOUS, PRECIOUS FOLLOWING ABDUL TAKING EARLY STEPS.

We return to the dayroom as Precious opens her eyes and lifts them to Mary slowly.

PRECIOUS

... You got it?

MARY

Got what?

PRECIOUS

The AIDS virus.

MARY

No.

PRECIOUS

How you know?

MARY

We never did, you know...

PRECIOUS

No, I don't know Mama.

MARY

We never did what you got to do to get it.

PRECIOUS

He never been wif you?

MARY

Yeah...but not like faggots, in the ass and all, so I know.

Precious is speechless. It looks as if some of her anger has suddenly been displaced with pity.

Mary looks up delicately.

MARY

You welcome back home.

I better go see 'bout Abdul and do
homework.

Mary doesn't move as Precious leaves.

Mary sits staring at the floor at the far side of the room.

INT. ADVANCEMENT HOUSE: PRECIOUS' ROOM - DAY

121

Precious enters, takes Abdul from his crib, holds him closely
and sits on her bed.

Moments later, a TAPPING on the window draws her attention.

Precious rises to find Tom Cruise hurling pebbles up at her
window in a leather jacket.

A MOTORCYCLE sits a few feet away from him.

He beckons her.

She stares down at him with solemn eyes.

Tom finally mounts his bike and vanishes into thin air while
revving its engine.

Mary then crosses the frame where he was.

Precious turns to Abdul and kisses him on the head.

Consuelo is missing and TWO NEW GIRLS, AISHA, INDIAN AND FROM GUYANA AND BUNNY, VERY THIN WITH BAD TEETH have joined the class.

MS. RAIN

Rita, what do I mean when the author describes her protagonist's circumstances as "unrelenting"?

RITA

I don't know Miz Rain.

MS. RAIN

C'mon Rita, think about the question before you just give up like that...

Ms. Rain's voice trails off as we find Precious lost in thought.

124 INT. CLINIC - DAY 124

Precious waits in a small gray office.

A FEMALE COUNSELOR WITH SYMPATHETIC EYES carrying a file sits across from her.

Her eyes say everything.

The counselor places a hand on top of Precious'.

MS. RAIN

Precious, bring your journal to me.

Precious waits a moment and then shakes her head without looking up.

Ms. Rain goes to her desk and picks up the journal without resistance.

The words "Why me?" sit alone on the page with lines crossed through them. Ms. Rain returns the journal to Precious' desk still opened to the same page.

MS. RAIN

Precious, would you come to my office for a moment?

Precious doesn't respond.

The class still watches curiously.

Ms. Rain, steps back, sits on the edge of her desk and folds her arms.

Ms. Rain rises, walks to Precious and rubs her back as she looks around to the other girls who are still stunned.

RHONDA

PRECIOUS

Yeah. He good...Won't bress feed him no more to be safe.

MS. RAIN

One time in your journal you told me that you had never really told your story.

Precious' eyes well up some more.

She wipes her face again.

PRECIOUS

What for? How?! I feel like I am drowning inside a giant river Miz Rain. Thas what...

Precious stops herself abruptly as if being overwhelmed by a sense of futility.

MS. RAIN

I think telling your story will get you over that river Precious ...

Precious erupts hurling her journal sharply across the room. It bounces hard off the blackboard and stops abruptly on the floor facedown.

PRECIOUS

MS. RAIN

I know you are but you can't stop now. You gotta fight through this. You still have to live your life and do the best you can with the hand you've been dealt. If not for yourself then for the people who love you.

Precious HUFFS cynically.

PRECIOUS

Nobody love me. Thas a lie.

MS. RAIN

People do love you Precious.

PRECIOUS

Please don't lie Miz Rain! Love?! Me?! Love rape me, beat me, call me animal, get me sick and make me feel wurfless. I had enough love.

MS. RAIN

That wasn't love. There are people in this room who love you. Your child loves you too. Is that clear Precious? Now if Rita decided to just give up? Would you let her?

Precious doesn't answer.

MS. RAIN

Would you?!

PRECIOUS

(reluctantly)

No.

MS. RAIN

And why not?!

Precious doesn't answer.

MS. RAIN

Because you love her...as much as

Precious looks to her side and finds Rita smiling
reassuringly through her crooked teeth.

MS. RAIN

Now the rest of the world can judge
you, cheat you, beat you, dismiss
you and abandon you all it wants
but we won't let you give up and
that's the only thing that matters.
Some people have less than that on
their side and still manage to keep
going.

(beat)

It's up to you.

Precious thinks a long moment, wipes her face and exhales.
She doesn't move for what seems like ages.

The whole class watches her until Ms. Rain motions for them
to continue working. Finally, Precious takes hold of her pen,
opens her journal, sighs deeply and starts to write again.

126

EXT. PARK - DAY

126

Our young ladies and Ms. Rain are seated around a picnic
table eating, laughing, talking and writing in their journals
all at the same time. Precious has found friends.

As we watch Rhonda ...

PRECIOUS (V.O.)

maybe not your business no way but
Rhonda's brother rape her for years
and when her muhver fine out, she
throw Rhonda out her house.

PRECIOUS (V.O.)
Miz Rain still a sort of mystery,
but a nice one like the sun.

As we watch the group from a distance...

PRECIOUS (V.O.)
Miz Rain right too. These girls is
my family now. They visit me at
hospital when I had Abdul and even
take up a collection when Mama kick
me out. They got love in they eyes
and in they hearts for me, same as
I got for them.

INT. CHILD PSYCHOLOGIST'S OFFICE - DAY

127

Ms. Weiss speaks from behind her desk as Precious sits on the
couch beside her backpack looking bored.

MS. WEISS
...You know you can use your
notebook between sessions
Claireece.

PRECIOUS
I do.

MS. WEISS
I mean you can use it specifically
for trying to recover certain early
memories.

Precious nods mechanically.

PRECIOUS (V.O.)

Tired of this lady asking me questions. Miz Rain say talk anyway but Miz Weiss just a spy for the State who write reports on me undercover. Reports go in file. File say what I could get, where I could go and if I could get cut off and kicked out of Advancement House.

MS. WEISS

(beat)

What are you thinking?

PRECIOUS

Nothing.

MS. WEISS

Oh I doubt that Claireece. It seems like you're always thinking about something.

PRECIOUS

I don't know. It's sort of hot in here I guess.

MS. WEISS

It is, isn't it? As a matter of fact, I'm going to get myself something to drink. Would you like something to drink Claireece?

PRECIOUS

A soda sounds nice ...please.

MS. WEISS

What kind?

PRECIOUS

I don't care.

MS. WEISS

Oh c'mon, you must.

Ms. Weiss inserts several pieces of change into a vending machine and presses a button. A can of Soda CLUNKS down through the bowels of the machine.

Ms. Weiss steps in.

Precious is now seated on the couch again with a corner of her file protruding from her bookbag.

Ms. Weiss hands Precious her soda.

PRECIOUS

MS. WEISS

Precious' bed.

Precious reads carefully.

Surprised and impressed, Jermaine double takes on Precious.

Nonetheless, Claireece is capable
of going to work. In January, her
son will be two years old. In
keeping with the new initiative on
welfare reform, I feel Claireece
would benefit from any of the
various workfare programs in
existence. Despite her obvious
intellectual limitations she is
quite capable of working as a home
attendant.'

PRECIOUS

I don't want to be no motherfucking
home attendant! I wanna be...

JERMAINE

Hush! 'My rapp-o-r-t with Precious
is minimal. Although I am not sure
with whom, she evidently has access
to counseling services provided by
Each One Teach One. She has a
history of sexual abuse and is
H.I.V. positive.'

PRECIOUS

She say she not put that in my
file! Bitch!

JERMAINE

That's the bitch's job, to get the
mofuckin' goods on you!

'The client seems to view the

AISHA

What happened?

PRECIOUS

Well, to make a long story short, the counselor at Advancement House quizzing me about Mama and Daddy etc., etc. But it's really about workfare. She want to send me out as home attendant.

RHONDA

How you know?

PRECIOUS

Cause I stole my file from Advancement House and read it.

The class GASPS.

JO ANN

Next time get mine's too.

PRECIOUS

All this 'What you wanna be?' And 'You can talk to me.' They ain' no motherfucking therapists on our side, they just flunkies for the 'fare. I wanna work, but not for no motherfucking welfare check in Central Park -displacing brothers and sisters who really got jobs cleaning up 'cause I'm there working for free.

Miz Rain, If I didn't steal that
file I wouldn't know what I was

MS. RAIN

You read the whole thing by

PRECIOUS

Yeah...basically.

JO ANN

Rhonda home attend. Say old bitch

Rhonda in the night!

JERMAINE

Rhonda used to have to go all the
way out to Brighton Beach where she
work for them people.

But you only get pay for 8 hours so
that's 8 X \$6.37

PRECIOUS

Home attendants usually work six
days a week. I would only see Abdul
on Sundays? When would I go to
school?

(beat)

Am I gonna hafta go be home
attendant like Rhonda was?

MS. RAIN

No! So stop worrying about it.
We'll cross that bridge when we get
to it. Trust me -no, trust
yourself. My concern now is that if
this Ms. Weiss is someone you're
working with and can't trust, she's
out! We gotta find somebody else.

PRECIOUS

(beat)

Well, I just write in my notebook
till I get wif some kinda therapist
I can trust. Actually that always
help me more than talking to her.
Plus, I'm going to start going to
meetings wif Rita for insect

BUNNY

The sound of a RUMBLING BUS ENGINE accelerating leads us to...

136 INT. CITY BUS - DAY

Rita looks out the window of a moving 102 bus and then steps across the aisle and sits beside Precious who stares out the window pensively.

PRECIOUS (V.O.)

Rita and me on our way. I look at subway map sometimes and wonder where I be if I go to the end of the line. Jermaine say there be a white boy wif a baseball bat when you get off. Rita say it's not true, or if it be true, it's only part true.

The bus comes to a stop and the girls dash out the back door.

139 INT. MEETING ROOM - DAY

139

In a simple meeting room, women of all different ages, colors and strata sit in a large circle.

IRENE, A GORGEOUS SLENDER BLOND WITH LUSTROUS HAIR AND SPARKLING EYES stands.

IRENE

Hello and welcome to our Tuesday
night beginner's meeting...My name
is Irene. I am an incest
survivor...

Precious looks utterly amazed. Her jaw drops. From here, the
women's voices are so faint that they are barely audible as
we hear Precious' thoughts.

PRECIOUS (V.O.)

This girl look like a movie
star and she in here too?!
All kinda women in here.
Princess girls, big girls,
old women, young women, white
women, lotta white women.

IRENE

It started when I was about 4
or 5 years old with him
fondling me. By the time I
was 12, he was having
intercourse with me 3 or 4
Times a week...

A montage of other women standing and speaking follows. As
the women talk, Precious' face fills with the wonder of
seeing the world through the window of a spacecraft headed
for re-entry.

CANDACE, SIXTIES, WHITE speaks next.

PRECIOUS (V.O.)

What am I hearing?! What in
the world?! One hour and a
half women talk. How can this
happen to so many people?

CANDACE

....I didn't remember what my
father did to me for so many
years until after he died...

CAITLIN, 20's, WHITE speaks.

PRECIOUS (V.O.)

And these is just the ones
that come out to the meeting.
What about the rest? Do I
pass them in the street and
do not know?

CAITLIN

...I am a proud lesbian. But
it's the only thing I'm proud
of. I was confined to a
mental institution for 14
years....

Finally, Precious stands.

She looks around as if seeing from the top of a mountain.

Finally she clears her throat and then ...

PRECIOUS

I was raped by my father and beat
by my mother ever since I could
remember anything at all. Raped and
beat by both.

and always think I know how easy or
bad she have it just by lookin'.
Now I wonder if everybody go
through sumthin' -sumthin' that
leave a shadow in they life.
(exhales)
Never said alla that before...

Precious looks around the room to find herself surrounded by
understanding eyes.

PRECIOUS

Anyway, thas all I'd like to say
for today. Thank y'all for letting
me share...

Irene nods and Precious sits. Rita squeezes her hand. Another
woman stands up to recount her story. Precious looks aglow.

PRECIOUS (V.O.)

Everything is floating around me
now. Like geeses from the lake. I
see flying. Feel flying. Am flying.
Far up...Thank you Rita for getting
me here on time.

140

INT. HALLWAY OUTSIDE THE MEETING ROOM - A LITTLE LATER 140

The group slowly emerges. A table with a nice arrangement of
cookies stands next to a coffee maker and soda machine.

Irene chats with Candace over a cup of coffee. Precious and
Rita talk with TWO OTHER YOUNG WOMEN, MIRIAM, BLACK 20's LONG
PRETTY DREADLOCKS and LISA, WHITE 20's.

PRECIOUS

...How you get your hair like that?

MIRIAM

Oh, you like it? I do yours one day

people's hair and makeup.

Miriam hands Precious a card. Precious reads the card

Mama and Daddy didn't win. I'm

Rita returns with two cups of hot chocolate. She gives one
